**ORDER ADOPTING SPECIAL  
MASTER'S REPORT AND  
RECOMMENDATION [620]**

1 Eight Plaintiffs initiated this putative class action against Defendants  
2 challenging the operation of several toll roads in Southern California. This Court  
3 appointed the Honorable Andrew J. Guilford, Ret., as Special Master to consider and  
4 recommend:

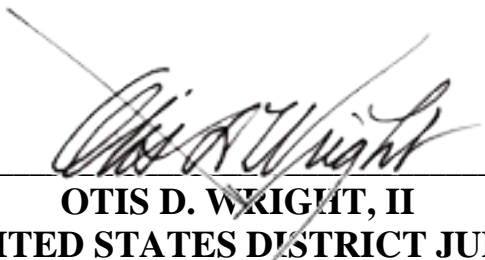

5 [W]hether to approve, on preliminary and final bases, all  
6 proposed class settlements reached in this case, the notice  
7 plan[,] including the proposed notice of the proposed  
8 settlements to be disseminated to members of the settlement  
9 class, and any administrative fees, attorneys' fees and costs,  
10 and service awards pursuant to Federal Rule of Civil  
11 Procedure 23.

12 (Order Appointing Special Master, ECF No. 582.)

13 Presently before the Court is the Special Master's Report and Recommendation  
14 to grant Plaintiffs' Motion for Final Approval of Three Class Action Settlements (ECF  
15 No. 614) and Plaintiffs' Motion For Attorneys' Fees, Costs, and Service Awards  
16 (ECF No. 611.) No objections were filed. The Court has considered the Report and  
17 Recommendation and finds the report well-reasoned and thorough. Accordingly, the  
18 Court **ADOPTS** the findings and recommendations in full. (ECF No. 620.)
